FAQ

Q: Who is this Jacqueline (Jax) person?

A: I started as a ski pass corporate sales rep for Copper & Winter Park in 2003! I am a Professional Civil Engineer and member of the American Society of Civil Engineers (ASCE). I do not work for Winter Park or Copper Mountain. My email address is jacqueline.arcaris@gmail.com.

Q: Can I share this offer with friends, family and co-workers?

A: Absolutely. Please forward this document & encourage them to read it.

Q: Why are there separate Copper and Winter Park single day lift tickets?

A: Intrawest sold Copper last year, so I am now dealing with 2 different companies. They have an agreement to maintain the season passes jointly, but that's it.

Q: What happened to the Copper 4-pass?

A: There is not a corporate discount offered this year. You may purchase them on their website at <http://www.coppercolorado.com> or use the order form above to get single day lift tickets that are transferable.

Q: Is the Winter Park 4-pass transferable?

A: The 4-pass is **non-transferable**, specific to the person using it, and requires your photo on it. You may [renew online](#) or in-person by Nov 30. If you prefer a transferable option, you may purchase the single day lift tickets using the form above, as they can be used by anyone, do not require a photo, must be ordered through me by Nov 12 (not online), will be mailed to you directly, and is ideal for non-CO residents.

Q: How do I purchase/renew a Winter Park 4-pass this year? Do I still have to get my picture taken?

A: 4-passes cannot be ordered directly from me. To make a new purchase you do so in person at a Passwagon event (DO NOT GO TO CHRISTY SPORTS). To renew you may go [online](#) following instructions on the flyer below or do so in person at a Passwagon event. In either situation, present corporate discount code **3012345** for ASCE, or you will not get the discounted price. Deadline is Nov 30.

Q: Can I purchase a season pass at a corporate discounted rate?

A: Corporate pricing is in the flyer below. You may purchase or renew a season pass and present discount code **3012345**, same rules as for the 4-passes mentioned above.

Q: When and where are these Winter Park Passwagon events? What if I can't make it?

A: Passwagon events are:

Sheraton Hotel in Downtown Denver

Tuesday, October 26 through Thursday, October 28
11 AM to 6 PM Each Day

Colorado Snowsports Expo in Denver (Entry Fee Required)

Friday, November 5 through Sunday, November 7
Varied Hours Each Day

Alpine Haus in Greeley

Saturday, November 13
9 AM to 4 PM

Larson Ski & Sport in Wheat Ridge

Saturday, November 20 and Sunday, November 21
9 AM to 5 PM Each Day

Christy Sports is no longer an option for redeeming corporate discounts. If you live in Colorado & absolutely cannot make it to one of these events, then please call my sales rep at Intrawest directly. Her name is Sarah – Office: 970-726-1568 or email her: SPoeppel@winterparkresort.com

Q: How long will it take for me to receive my pass?

A: [Online renewal](#) allows re-use of photo 4-passes. Season passes and photo 4-passes ordered in person should get the pass on the spot. Single day lift tickets and rental packages must be ordered through me using the form above. Once Winter Park & Copper send me the passes, I send them to you in the US mail. I send orders in batches, so earlier batches receive passes sooner! Please try not to wait until the last minute on Nov 12.

Q: Still no 4 Passes to Steamboat?

A: Correct. Purchase a Rocky Mountain Super Pass Plus and get 6 days at Steamboat (see flyer below).

Q: Can I pay with my credit card?

A: The Season and Winter Park 4 Passes must be purchased through Intrawest and they do accept credit cards. Remaining passes for Copper & Winter Park are purchased through me. I accept cash, check or PayPal cash/check only. PayPal keeps a percentage of each credit card purchase. Since I do not mark-up the prices, the loss would come out of my pocket. You can purchase full-price passes using your credit card online or at designated sales events.

Q: Can I drop off my order in person?

A: I am not working, so all orders come to my home. I cannot guarantee when I will be home, so it is best to mail the orders. Please plan accordingly. I do not recommend leaving envelopes at our townhouse, as we live in the heart of Denver with a lot of foot traffic. Slide sealed envelopes with my name on it under the front gate at your own risk.
